

2026 Institutional Grantee Impact Dossier

Standardized 4-Tier Unit Economics • RCW 28A.210.420 School Equity • Candid Platinum Outcome Metrics

SECTION 01 • EXECUTIVE MISSION & BIOLOGICAL SAFETY MANDATE

2026 Institutional Grantee Impact Dossier & Standardized Relief Tiers

Nearly **1 in 4 menstruating students in the United States** struggles to afford period supplies, resulting in missed school days and acute health risks. For unhoused women and girls living without running water, conventional plastic-backed scented products and internal menstrual devices increase the risk of toxic shock and urogenital infection. **Love Her Period Foundation (EIN: 88-0613961)** bridges the gap between statutory mandates (**Washington State RCW 28A.210.420**) and frontline access by deploying **100% GOTS-certified organic, chlorine-free, toxin-free menstrual care**.

SECTION 02 • STANDARDIZED 4-TIER HUMANITARIAN RELIEF ARCHITECTURE

Relief Tier & Unit Cost	Target Beneficiary Cohort	Standardized Clinical & Material Contents	Measurable Output
Tier 1: Student Dignity Kit \$35 / Kit	Title I Public School Students (Grades 3–12, RCW 28A.210.420)	Matte Charcoal + Crimson waterproof pouch, 3-month supply of GOTS organic cotton pads & liners, soothing herbal patch, Cycle Literacy Guide.	1 Student equipped for a full 90-day academic quarter
